

Professor Juan P. Garrahan

School of Physics & Astronomy
University of Nottingham
University Park
Nottingham NG7 2RD, UK

Room C401
+44-115-8467713,
+44-115-9515180 (fax)
juan.garrahan@nottingham.ac.uk

Brief Vita:

- Lecturer (2003-06), Reader (2006-07), Professor (2008-),
School of Physics & Astronomy, University of Nottingham

- Spring 2007: Pitzer Visiting Professor, Dept. Chemistry, UC Berkeley

- Oct 2003-Sep 2008: EPSRC Advanced Fellow

- Oct 2000-Sep 2003: Glasstone Fellow, University of Oxford

- Oct 2000-Sep 2002: Lecturer in Physics, Balliol College, University of Oxford

- Jan 1998-Sep 2000: Postdoc, Theoretical Physics, University of Oxford

- 1997: PhD in Physics, University of Buenos Aires

- 1992/93: Research Visitor, Theoretical Physics, University of Oxford

- 1992: Licenciado in Physics, University of Buenos Aires

Research Interests:

- Statistical physics of supercooled liquids and glasses.
- Glass transition, dynamic arrest, jamming.
- Quantum non-equilibrium systems.
